Similarly, if you are having a before hours it would cost an additional \$40 for your guests to stay for an hour after the pool opens for regular business. Available to members only.

“Regular Hours” Private Parties: Any member wishing to hold a party during regular business hours should contact the pool manager for pool availability. The Board asks that private parties during pool hours be limited to 12 guests. If the requesting member has guest passes, they will be honored first; any additional guests beyond the passes will be assessed a \$5 fee.

Requests for parties during pool hours with over 12 guests must be presented to, and voted on by the Board. An additional charge may be incurred at the discretion of the Board. The Board will reach a decision and price within 72 hours of request.

Payment for a “regular hours” party should be made in advance.

Note: All private parties will be marked on the Club’s calendar. Parties will be booked based on guard availability.
