## Pool Opens!

Saturday, May 25<sup>th</sup>

### Regular Pool Hours:

Saturday 11am-9pm

Sunday-Friday 12-9pm

### President's Notes

I would like to thank all of our members who attended the annual meeting on February 10. If you would like a copy of the minutes please contact our secretary, Susan Gray.

A financial committee was formed last year and has met several times. They are working on creating a financial plan for the future of the pool. As our pool ages there will be more maintenance issues that will need to be addressed.

Our stock-owning members continue to be of concern for the club. Unfortunately each year we lose some of our stock holding members. While we welcome non-stock members as they have kept the facility running, I encourage all stock members to encourage stock purchase. There are advantages to being a stock owning member such as free swim and tennis lessons, reduced rates on pool rental for parties, and the ability to earn up to 30 guest

passes each year, a \$150 value. Please spread the word of the neighborhood atmosphere at the Canterbury Club. As members we are our own best advertisement.

We welcome to the board Jeff Reinhart, maintenance trustee, and Kathy Laird, social trustee. Diane Mosser will be our club manager.

Valerie Dougherty  
President

### Canterbury Stock Membership Offer 2013

Purchase a share of Canterbury Swim and Tennis Club Corporation owned stock (1 stock purchase limit per family) in 2013 for \$600 and your membership fee will be waived for 2013. (Terms apply to family, couple and single memberships in 2013 only.) This offer is good for current or prospective **non-stock** members only. The Corporation is limiting this offer to 10 shares of stock to be sold in this manner. Workday fees are not waived. Contact Membership Trustee, MO Stansbery, at [CanterburyMembership@gmail.com](mailto:CanterburyMembership@gmail.com) if interested.

### Upcoming Work Days/ Stockholding Members

Canterbury Club work days are scheduled for Saturday, April 20 from 8am-3pm and Saturday, May 4 from 8am-3pm. There is much to do to prepare the pool for opening day.

The main task will be cleaning the pool along with other jobs including but not limited to weeding, hanging the tennis wind screens, and putting up the volleyball net. There will be opportunities for everyone to work. Any family member can help out to add up to 4 hours of work total to get a \$50.00 refund.

Please note, Jeff will be coordinating the refund of your work day fee with Amy Iliff as work is completed.

## Swim Team

Summer is just around the corner! My name is Chris Butterworth and I am the Canterbury Swim Team Coordinator. I would like to invite all swimmers ages 18 and under to join us for swim team this summer. Invite your friends! Non-members are welcome to join the team! This year we are inviting all FHS swimmers to join us too. Keep swimming in your routine! All non-members who participate in swim team will receive a free one day pool pass by regularly attending practice & meets! Watch for registration forms online in the May newsletter. I'm very happy to have Erin Dougherty back as swim team coach this summer. Erin is graduating from Findlay High School in June and will be attending the University of Toledo in the pharmacy program in the fall. She will also be on staff as a lifeguard. I am currently reviewing other candidates to coach with Erin. Mark your calendars for the parent meeting and swim suit try-on on May 18 at the pool from 9 a.m. until noon. This year we will be offering swim suits by TYR. The suit is the Pink

TYR Check Splice Diamondfit Swimsuit – a black suit with pink diamond accent. Like many professional athletes we'll wear pink this year to support cancer research. Aquatic Adventure Outfitters will have suits to try on for size and will offer Canterbury Swim Team a 25% discount from the MSRP. Up to \$5.00 will be donated to the Breast Cancer Research Foundation by TYR with the purchase of each TYR Pink swimsuit. If you can't be at the try-on May 18, please go to Dunham's or another sporting goods store to find out your child's swimsuit size. Remember to try on a TYR suit and that competition swimsuits should fit TIGHT! (Boys should try on jammers.) Swimsuit order forms will also be available online in the May newsletter and should be turned in before May 18 for those who can't be at the try-on. Please note, the 25% discount is only guaranteed for suits ordered by the try-on date. Suits will be delivered before our first meet. The complete meet schedule and parent information will be available in May. Finally, watch your email for fundraiser information to raise money to update our computer programs and to purchase a laptop for the swim team to keep track of team information and run swim meets. If you have questions please contact me at [c\\_butterworth@att.net](mailto:c_butterworth@att.net) or call 419-423-6685. I look forward to seeing all of you this summer for another fun swim season!

Go Stingrays!

## Social Info

As I type this on March 23<sup>rd</sup> there is 4-8" of snow in forecast over the next few days. Even though winter is determined to hang around, in just two short months the pool will be open for business and we will all be happy that the lazy days of summer are finally here. I'm Kathy Laird, the new Social Trustee for 2013. I'm excited to be serving on the Canterbury board. My family and I have enjoyed our summers spent at the pool with friends, new and old.

We'll have several events planned for the summer so keep an eye on the pool calendar, newsletter and Facebook for all the latest news. If you have ideas for events you would like us to have please feel free to contact me. There will be plenty of opportunities to earn FREE guest passes by hosting a party throughout the summer.

Do you have an event coming up this summer? Graduation, birthday, family reunion, or just a summer party? Use Canterbury's beautiful, clean facility for a very reasonable rate and be able to sit back and enjoy your guests without all the hassle of getting your home ready! There's plenty to do for swimmers and non-swimmers, kids and adults. It's available for parties before, during or after hours. We already have several parties on the calendar so don't delay! Contact Kathy Laird at [kathylaird22@yahoo.com](mailto:kathylaird22@yahoo.com) or 419-348-1560 for questions, information or suggestions. I'm looking forward to a great summer!
