President's Notes

Happy August. It is hard to believe that school will be starting this month. Please watch your email and look for postings at the pool for any change in pool hours once school is back in session. There is still plenty of time to enjoy the pool and memberships are still available. Please contact Amy Iliff for the pro-rated rate for the rest of the summer. There is also plenty of time to host a party at Canterbury. Please contact Kathy Laird for scheduling.

Tennis lessons continue in August and are being taught by Josey Iliff. They are offered in the evenings this year. If your child would like to participate, see the sign-up at the pool or contact tennis chair Patti Jones.

New this year, we will be offering lap swimming times

during the week of the YMCA shutdown, August 26-30, from 5-7 p.m. Two lanes will be set up for swimming. There is no cost to Canterbury members. Others will be charged \$5. Please spread the word to your Y friends who will need a place to swim that week in August.

Enjoy the rest of your summer. See you at the pool.

Pool Manager's Note

If anyone would like to work some hours towards their work day we have some weeding and tree branch trimming that can be done. See me so we can set something up!

It's hard to believe that summer is slowly coming to an end already. There is still time to host your event at the pool. We have hosted graduations, birthdays, baseball teams, and a number of other events this summer. Thanks to everyone who chose

Canterbury for their summer party!

There are two more middle school parties yet this summer...August 1st and August 13th, 9-11pm. Hope to see a lot of middle school kids and their friends there! There is still an opportunity to help host the final party. Please contact me if you are interested.

Enjoy the last month of summer at Canterbury!

Tennis

Tennis lessons are under way at Canterbury! Josey Iliff is back again this year as our instructor! He was a senior varsity tennis player at Findlay High School and is currently home from college in Florida. Lesson times have been changed this year to evening hours. The schedule is posted on the Canterbury website. We are hoping the evening hours will allow more kids the opportunity to participate. Lessons are scheduled to continue through August 8th. It's not too late to join in on the fun! Don't forget to bring tennis shoes, a racquet, and

plenty of water. We have a few extra racquets if needed. Stock members are free. Non-stock members are \$10.00 per child. If you ever have any questions, concerns, or suggestions, please contact me at 419.722.8044 or email me at plmcb326@aol.com. See you on the tennis courts!

Swim Team

Well another swim team season has come and gone. And a fun season it was! We are grateful to the membership of Canterbury Swim & Tennis Club for the use of Canterbury Pool for this year's Championship Meet. Due to unforeseen circumstances with Riverside pool, it was voted by the board to offer Canterbury for the meet on the morning of Monday, July 15. Despite the incredibly hot weather, things could not have run smoother! We received many thanks and compliments from Upper Sandusky, Lakeview and Canterbury parents and the

managers of both of the other teams. Many, many, thanks to: Diane Mosser and the Canterbury board for coordination; Leah Zelinsky for managing the pool that day; Jeremy Wilson, Laura Wilson and Tayler Stevens for lifeguarding and keeping the facility in order; the Zelinsky family for clearing & stacking the lounge chairs the day before; Scott, Alexis and Kaila Butterworth for helping set up the night before; Erin Dougherty and Rachel Zelinsky for overseeing sign ups and organization of entries; and Rachel Zelinsky and Angelica Gray for outstanding coaching and getting everyone where they needed to be. A special thanks to ALL of my parent volunteers at Champs and all of our meets. Without you these meets would not happen. Great job Coach Erin and Coach Rachel. Kudos to Lindsay Barchent for assisting with our younger swimmers in June. And finally, I want to thank and congratulate all of our Canterbury swimmers for a job well done! All swimmers improved their times from the beginning of the season and should be very proud! You were all amazing. We look forward to you joining us next year! Bring your friends.

Way to Go Stingrays! (If I've forgotten to thank anyone, please forgive me and thank you!)

I want to thank everyone over the last 3 years that have been involved with swim team. I've enjoyed getting to know all of the swim team families. I've tried

my best to make swim team fun for everyone, which is what summer league should be all about. I will be rotating off of the board in February and Canterbury will be in need of a new Swim Team Coordinator. If you are interested in this position, please contact me at c_butterworth@att.net or 419-423-6685 for information. In addition, there will be some changes to the Buckeye Summer Swim League next summer. We are currently looking into merging with another league to expand our meet schedule. With only 3 teams in the league, scheduling enough meets has been difficult. Another option is to have another team join our league. Watch the newsletter or email for updates on this situation.

Membership

Hope the summer has been a good one for our members and you have enjoyed your time at the pool. If any of our stock members decide at the end of the season they have outgrown their membership, please consider gifting your membership to a friend. The friend would take over the responsibility of paying the yearly dues. This helps us to maintain our stock members and introduce new people to the pool.
