President's Notes

As we wind down yet another summer, I'd like to take a second to extend a HUGE thank you to our always incredible guards. How lucky are we that they take the time to learn our names, our kiddos' names and take the time and effort to greet us as we are lounging poolside?!? This certainly doesn't happen everywhere!! Most of our guards took part in several other activities as well this summer, whether it was church camps, ASP projects, sports related camps, or other time consuming yet very rewarding experiences; however, they still managed to juggle the "pool life". So, again, we are very thankful for you and all of your hard work around the pool!

With that being said, thank you as well to all of our families who have put in time helping with projects around the pool as needed! A little elbow grease and a few extra hands go a long way! Thanks for making the best of what was kind of a lousy summer as far as HOT SUNNY days go!!

Now enjoy what's left, and remember to show up for work day to earn back a little of your

money and help make our workday go quickly! Watch for the posting of the date and time!! Have a great fall!!

If you took a Canterbury yard sign at the beginning of the summer, please drop them off

at the pool before closing day, Mon., 9/1. If you would like to store it in your garage for the winter months and put it out again next spring that would be greatly appreciated. Thanks to everyone for helping promote our pool!!
