President's Notes

It's so hard to believe it's already the end of JULY!! The weather sure has thrown us for some loops making "pool time" impossible on the chilly days! However, we have tried to remain open a little later on the SUPER hot days to allow a little "make up" time at the pool, and a little fun for the kids and families getting to swim with all the lights on! A big thank you to our amazing guards for staying later and making these evenings happen!

Please keep an eye out for a few more fun events in the works for the rest of the pool season!

Hopefully the next few weeks are nice and hot and I'll see you poolside!!!

Membership

Do you know why new members join Canterbury? Because of people like you! You, along with our great staff

and surroundings, are our greatest asset! With that being said, if you have friends that would like to try our fabulous pool out, please remind them that we offer prorated fees for the remainder of the season. If you know of anyone that is interested, please have them email me at

Swim Team

Well another swim team season has come and gone, and what a fun season it was! We are grateful to the membership of Canterbury Swim & Tennis Club

for the use of Canterbury Pool for this year's Championship Meet.

Many thanks to Diane Mosser and the Canterbury board for their help in preparing for and holding our meets. And a big thank you to our coaches, Erin Dougherty, Rachel Zelinsky and Angelica Grey for a job well done. Their hard work and dedication were evident all season long. A special thanks to all parent volunteers at our meets. Without you these meets would not be possible.

And finally, I want to congratulate all of our Canterbury swimmers for a job well done! We look forward to you joining us next year! Please check your email for upcoming fundraisers for the team. Way to go Stingrays!

Social Info

Summer is winding down, but there's still time for that last summer party at the pool. There are plenty of dates available if you would like to plan a private party yet this summer.

Our last two middle school parties will be August 5th and August 14th. On 8/5 the party will be at the normal time, 9p-11p, but on 8/14 we're extending the party by one hour, 8p-11p! We've had great attendance so far this season! Thanks to all of the hosts! Your help has been greatly appreciated.

I'm still trying to plan a potluck with live music so be on the lookout for that date.

Enjoy the pool!

Tennis

Tennis lessons are under way at Canterbury! Josey Iliff is back again for his third year as our instructor! He is home this summer from college in Florida. Lessons are scheduled to continue through July 31st. It's not too late to join in on the fun! Non-stock members are \$10/per child. Stock members are free. Don't forget to bring tennis shoes, a racquet and your water bottle. This is a fun way to introduce your children to a great lifelong sport!

Are there any adults interested in tennis instruction? Member, Larry Jones, has offered to instruct on Wednesdays from 7 to 8pm beginning August 6th. It's free. Sign up at the front table or contact me at the number or email listed below.

If we get some interest we will proceed!

Thanks again to member, Mark Johnson, for his donation of a portable basketball hoop! It is set up and ready for action. There are basketballs available, just ask a guard and get a game going! We are still looking for a donation of one more portable hoop to set up a court. If you know of anyone with a used portable hoop in good condition, please contact me at the number below.

If you ever have any questions, concerns or suggestions, please contact Patti Jones at 419.722.8044 or email me at plmcb326@aol.com. See you on the tennis courts!
