June 2014

Regular Pool Hours:

Saturday 11am-9pm

Sunday-Friday 12-9pm

President's Notes

Wow! Where did June go!?! My apologies that this newsletter is delayed in getting out, however when it was set to come out, we had a few things arise that needed Board attention before we could put a newsletter out, and it's so much easier to reach everyone all at once! So, here is my wrap up, in a nutshell!

Kuddos to American Leak Detection who got into our baby pool, fixed our plumbing issue... And had us back up and running in almost no time at all! Our baby pool is a very valuable asset to our pool... And we are so thankful they could tend to our cracked pipes so promptly!

We did have an issue with our fridge at the season start up but Phil Tate worked his magic and we are hoping to make it through the season with this fridge. Since it was donated to the club a number of years ago, we could be looking at the need to replace that much needed appliance... With that being said, if you have any extras, or know of any, please let a board

member know! We are always keeping our eyes out!

Swim lessons were again a success! Thank you to those who participated, and to our phenomenal guards and Diane who help make them possible. If you or any one you know are interested in more, or private lessons, please speak with any of the guards and they'd be more than happy to help get you in the right direction!!

If you are still looking for ways to "earn your work day fee" back, Diane has an ongoing list of projects to be completed, and she needs help with several of these things. Please get in touch with Diane or Jeff Reinhart; Club maintenance is a time consuming thing that seems to be endless, so they welcome the assistance!

Finally, we have put in place a few new "steps" to keep our members better informed. Since technology is the way of the world anymore, we use our Facebook page more than anything for updates. It is impossible to set a certain temperature in which to be open or closed at, due to the fact that your phone may say 75* but your car reads 70*. Our

point being, temperature varies with the humidity, wind, rain, etc. so please, please check our Facebook page if there's ever any doubt. Communication is key, and we are working very hard to be sure we keep YOU as informed as we can!

Enjoy the rest of the summer, please remember to keep it safe poolside. We all enjoy being able to kick back and relax! Thanks for an amazing first part of the season!!

See you poolside!

Stephanie S. Stevens Weissling

Membership

Canterbury wishes to extend our welcome to all our new members! We hope everyone has a sunny summer and enjoys many fun filled days at the pool. If you have any questions about membership and/or what all you can take advantage of as either stock or non-stock members, please don't hesitate to ask.

Finally, if you are a stock holding member and decide to sell your stock, please let us know so we can keep our

records current. Current stock holding members need to continue to pay annual dues even if they are on the sell list. By doing so, they will be in good standing and will be reimbursed once their share is sold. If you wish to be added to the list or are thinking of selling your stock within the next couple of years, please let us know.

All questions can go to canterburymembership@gmail.com.

Swim Team

Our first home swim meet was a big success! The weather cooperated and a fun time was had by all. Thank you to the kids, parents and others who came together to make it all happen.

This past Wednesday the swim meet at Lakeview pool was cancelled due to thunder and lightning. I appreciate

everyone's patience waiting for the decision to be made. Unfortunately, this meet will not be rescheduled.

At the Parent/Family meet this past weekend, everyone swam a 25 of each stroke and finished with a relay race. Lots of friendly competition amongst our families makes it a fun tradition here at Canterbury.

The week of the 25th is a by-week and our next meet will be July 2nd at Lakeview. Parents, please remember to check the sign-up sheet at the pool to volunteer.

Go Stingrays!

Julie Wilkins

Social Info

Our middle school parties have been a great success so far this year! Thanks to all the kids who have joined us and thank you to our hosts and lifeguards! Don't miss out on all the fun! The remaining middle school parties are scheduled for 7/8, 7/24, 8/5 and 8/14. All parties are 9-11 pm and are open to all middle school kids, grade 6-8 and outgoing 8th graders. You don't have to be a member to join the fun. Bring your friends! Cost is \$5 per person or \$2 with a snack to share. Hosts are always needed and you earn guest passes for helping out.

Contact me if you are interested in a date.

It's hard to believe that 4th of July is already here. There's no better way to celebrate than with all your friends at Canterbury! Join us for a potluck that day from 12-2p. I'll be grilling hot dogs and serving up root beer floats! Bring a dish to share and your own drinks and table service. Diane will have games for the kids during the breaks. Don't miss out on all the fun!

Look for upcoming dates for a potluck with live music and a Christmas in July party for members 21 and over. Details coming soon!

Canterbury is a great location for your summer party! Keep us in mind when planning your social events this summer.

With that being said, we know everyone wants to have a good time and relax with friends on these warm summer days and nights at the pool and while Canterbury does have an open alcohol policy for those who are 21 and over, we ask that you please drink responsibly while you are at the pool. Please use your discretion when swimming while drinking. If the pool manager, a lifeguard or a board member feels you are too impaired to swim we will ask you to leave the pool area. We

don't want anyone to put themselves or our guards at risk. Our #1 concern is the safety of our members. We appreciate your cooperation.

Enjoy the pool!!

Tennis

Look for sign-up sheets for tennis lessons soon!! Tennis lessons will be in the evening this year. The change last year from morning to evening lessons increased participation significantly and we received a great deal of positive feedback regarding that change. We are also hoping to schedule some adult lessons as requested by the membership.

We are happy to report that one of our members, Mark Johnson, has agreed to donate his basketball hoop to Canterbury! As requested in last month's newsletter, we are interested in setting up some portable basketball hoops on the east tennis courts. They are no longer used for tennis. If you know of anyone with a used portable hoop in good condition we are looking for one more! Contact me at the number below.

If you ever have any questions, concerns, or suggestions, please contact me at 419.722.8044 or

email at plmcb326@aol.com. I want to encourage everyone to get out on the courts this year!

Patti Jones

- Please write down your guest's name and give your guest payment to a lifeguard when you check in at the pool.
- Only children 10 years of age and older are allowed to be at the pool without a parent.
- Food and drinks are not allowed in or next to the pool.
- If your child is a new swimmer, we ask that you keep a close eye on them. Stay close enough to reach them, especially if they are using a floatation device.

Club E-News

The Club has eliminated paper newsletters. Newsletters are distributed via email and posted on the Club's website. To ensure timely arrival of your newsletter, current information, and upcoming events related to the Club,

please provide your email address or email changes to the Club Secretary, Pam Zelinsky at canterburyclubsecretary@gmail.com or check the website at www.CanterburySwimClub.org You can also check us out on
