President's Notes

Well, so much for summer days poolside! Even though the weather didn't always prove to be "summer" there were great times had again at the pool!

As we wrap up I'd like to extend a HUGE thankyou to our guards, and to Diane. Without them, our pool would not run so smoothly. Also, an even bigger thank you goes to you, our members. Your patience with the new diving board and a few other blips has been much appreciated. Last but not least, my fellow board members...Thank you for taking the time out of your busy lives year round, to hold down the fort and make summer days at the pool possible! With that being said, this year there will be several open spots to fill on the board. If you are interested, please speak to one of us, and let us know!
